

Patient Financial Policy Sheet

To reduce confusion and misunderstanding between our patients and practice, we have adopted the following financial policies. If you have any questions regarding these policies, please discuss them with our Financial Counselor. We are dedicated to providing the best possible care and service to you and regard your complete understanding of your financial responsibilities as an essential element of your care and treatment.

Unless other arrangements have been made in advance by either you or your health insurance carrier, full payment is due at the time of service. For your convenience we accept cash, check, VISA, Master Card, Discover and American Express.

Your Insurance

- We have made prior arrangements with many insurers and health plans to accept an assignment of benefits. This means that we will bill those plans for which we have an agreement. We require you to pay the authorized copayment at the time of service. This office's policy is to collect this copayment when you arrive for your appointment. Any deductible or past due payment will be collected at time of service. Depending on the insurance, we may ask for \$50 for a physician's visit and \$100 for each vascular exam ordered by our physician.
- If you have insurance coverage with a plan for which we do not have a prior agreement, we will prepare and send the claim for you on an unassigned basis. This means that your insurer will send the payment directly to you. Consequently, the charges for your care and treatment are due at the time of the service.
- In the event that your health plan determines a service to be "not covered," you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office.
- We will bill your health plan for all services provided in the hospital. Any balance due is your responsibility and is due upon receipt of a statement from our office.

Minor Patients

- For all services rendered to minor patients, we will look to the adult accompanying the patient and the parent or guardian with custody for payment.

I have read and understand the financial policy of the practice, and I agree to be bound by its terms. I also understand and agree that the practice may amend such terms from time to time.
